

# CORTROL Ch. Add-on Addendum

12192023 v1.0.0

## Grace Period

Starting January 1<sup>st</sup>, 2024, CORTROL channel add-ons will include a two-year grace period.

## Form & Function

How does the two-year grace period on CORTROL channel add-ons work?

The channel add-ons do not technically “include” any license warranty coverage.

Renewal coverage during the channel add-ons two-year “grace” period is not a requirement.

Renewal coverage outside of the channel add-ons two-year “grace” period is a requirement.

The warranty coverage of the CORTROL primary license determines the coverage requirement of the channel add-ons.

## Examples

First example: Channel add-ons added within the initial CORTROL two-year warranty period.

- CORTROL channel add-ons will not require additional warranty coverage.
- The channel add-on warranty will reflect the balance of the initial CORTROL two-year warranty.

Second example: When attempting to add channel add-ons to an expired CORTROL license.

- An expired CORTROL license does not allow channel add-ons.

Third example: Channel add-ons added within the following CORTROL warranty renewal periods.

- 1-year renewal: No renewal requirement. ☀️
- 2-year renewal: No renewal requirement. ☀️
- 3-year renewal:
  - First year: A 1-year renewal requirement when added. ⚠️
  - Second year: No renewal requirement when added. ☀️
  - Third year: No renewal requirement when added. ☀️
- 4-year renewal:
  - First year: 2-year renewal requirement. ⚠️
  - Second year: 1-year renewal requirement. ⚠️
  - Third year: No renewal requirement. ☀️
  - Fourth year: No renewal requirement. ☀️
- 5-year renewal:
  - First year: 3-year renewal requirement. ⚠️
  - Second year: 2-year renewal requirement. ⚠️
  - Third year: 1-year renewal requirement. ⚠️
  - Fourth year: No renewal requirement. ☀️
  - Fifth year: No renewal requirement. ☀️
